

Job Title: Home Health Aide

Adventist Health Home Care Services is looking for a full-time Home Health Aide who believes in our mission to deliver the highest quality care to home-bound and hospice patients. Join a growing team with a long reputation for quality care in serving clients in the greater Portland, Oregon area with a wide variety of medical and care needs. We will provide you with many challenging opportunities to make a positive difference in people's lives. As the healthcare industry continues to change, Home Health Aides continue to be essential in providing the best care in the most appropriate setting.

Qualifications and Requirements:

- Oregon CNA license with strong desire to pursue HHA certification required
- Valid CPR card for healthcare providers
- At least 1 year of experience, home health preferred
