

Maryville is offering new CNAs \$500 in signing/retention bonuses !

If you get hired to work full time before the end of May, Maryville will give you a \$250 bonus with the first paycheck you get after 90 days at work and another \$250 at the end of your first year on staff!

Maryville is located in Beaverton on the tree-lined, 43-acre campus of the Sisters of St. Mary of Oregon. It is highly rated, well-staffed, and freshly updated to provide an environment of peace and healing for those who need round-the-clock care. Maryville offers a calm, respectful, and patient-centered atmosphere founded and focused on the Sisters' life-affirming values. If those are values you share, and if you get hired before May 31, 2017, to work as a full-time CNA, you will be eligible to receive \$500 in bonuses (\$250 after three months and \$250 more after one year) just for joining Maryville's well-respected team of dedicated healthcare professionals.

Maryville employees receive competitive pay and a host of benefits, including:

- ***Medical insurance (which covers chiropractic care, naturopathy, acupuncture, and even massage therapy for pain relief)***
- ***Dental insurance, your choice of PPO and HMO programs***
- ***Vision insurance***
- ***A robust employee assistance program offering a variety of helpful free services***
- ***Cell phone discount programs with Sprint, AT&T, and Verizon (even if you have an existing account)***
- ***Paid time off***
- ***A generous employer match for contributions to your retirement plan***

To be considered for a CNA position, you must either have a current OSBN Certification Card or proof that you graduated within the past two years from a certified CNA training program and proof that you are scheduled to take the OSBN certification exam. You must take and pass the exam within four months of hire.
