

TUALITY HEALTHCARE

An OHSU Partner

OHSU Tuality Health is opening a brand new, state-of-the-art, Geriatric Psychiatric Unit!

We are delighted to be able to support our community with these inpatient specialty services supported by OHSU Hospitalists. The unit is expected to open this summer in June.

We are hosting a job fair at the hospital on Wednesday, April 17th from 4:30pm–7pm. Recruiters and Hiring Managers will be onsite!

The Job Fair will be at the hospital in conference rooms TCH 1 and 2. The address is 335 SE 8th Ave, Hillsboro, OR, 97123. Please enter the hospital from the 8th Street side. From the main entrance you will pass through two sets of sliding glass doors. Pass the Information Desk on your right and as you approach the Admitting desk, turn left. You will see a sign for the Gift Shop (look up; it is near the ceiling). Before you arrive at the Gift Shop you will see a hallway to your left (it shares a wall with the Gift Shop) and you will be looking directly at Conference Rooms 1 and 2. We look forward to seeing you there!
